To Dear Lucy + all at Sovchem.

I would like to extend on behalf of the soldiers that attended the Spurs v BSC Young Boys match our heartfelt and sincerest thanks to you all. The tickets that you so kindly donated were given to Headley Court where our soldiers are rehabilitated after suffering some horrific injuries whilst on operational service.

The Soldiers that attended, all Spurs fans, had a great time and were truly grateful of the opportunity and indeed of the fantastic support and kindness that you have shown. It is hard to express in words the positive effect that kindness like this has on promoting their recovery.

Once again, to you all we offer our sincerest gratitude.

Kind Regards and Thanks.

Colin Nufer
